

BAR Series

Safety Barrier Reel

Fitted with 20 metres of 50mm wide woven webbing (safety orange) the **REELCARE** BAR2050 is the ideal way to quickly & efficiently set up personnel safety barriers for areas that require regular guarding. Additionally this reel is widely used to cordon off roller doors that are required to be open for light and air movement and frequent traffic however need to be restricted access.

Mode	Webbing Width	Webbing Length	End Fitting	Weight
